Program Dates/Times: LESB SFST Instructor**Start:**

July 22, 2020

End:

July 23, 2020

Course Description: LESB SFST Instructor

Topics of Instruction include: Prepares law enforcement professionals to effectively administer and teach the Operating a Motor Vehicle While Intoxicated (OMVWI)/Standardized Field Sobriety Testing (SFST) training program. Emphasizes teaching and learning techniques that promote active learning, support learners with a variety of learning preferences and needs, and generate continuous improvement in teaching and learning.

Objectives:

The first part of this course will focus on basic principles and techniques of teaching OMVWI/SFST, and on the specific application of those principles and techniques to the curriculum employed for classroom training in SFSTs. During this day the student-instructors become able to:

- Describe the documents that make up the standard curriculum packages for OMVWI/SFST;
- Describe the content and format of the lesson plans for OMVWI/SFST;
- Describe the characteristics of a good OMVWI/SFST instructor;
- Carry out the instructor preparation tasks for any session of the OMVWI/SFST course;
- Describe how to plan and manage an alcohol workshop;
- Administer the use of NHTSA approved video tapes for optional SFST training.

During the second part of the course, the student-instructor will have opportunities to apply what they have learned by teaching selected portions of the OMVWI/SFST course. The instructor candidates will be told their practice teaching assignments on the first day of the course, and they will have time in class on the first day to begin preparing for the assignments.

Program Length:**Two days (Sixteen hours)****Maximum Enrollment:****20 students****Prerequisites:**

Prerequisites: The only officers eligible to attend this teacher training program are those who have:

- Satisfactorily completed either the 32-hour Wisconsin Criminal Justice Instructor Development Course (CJIDC) or the Teaching Methods Course put on by the Wisconsin Technical College System;
- Satisfactorily completed SFST training, based on the NHTSA SFST curriculum or its equivalent;
- Participated in two "live" volunteer drinking subject practice sessions (alcohol workshops) during which they personally administered the horizontal gaze nystagmus, walk and turn, and one-leg-stand test to persons who have consumed alcohol; or
- Participated in one "live" volunteer drinking subject practice session (alcohol workshop) during which they personally administered the horizontal gaze nystagmus, walk and turn, and one-leg-stand test to persons who have consumed alcohol, and participated in one NHTSA approved video-taped session of drinking subjects; or
- Participated in two NHTSA approved video-taped sessions of drinking subjects; and
- Demonstrated continued proficiency with the SFSTs, either in actual enforcement operations or in alcohol workshops, or both, since the completion of their training.
- Complete attached form, Instructor Training Course Application DJ-LE-336
 - State Patrol employees should bring the form completed and it will be signed at the Academy.

- Personnel from outside of the DSP need to have the form signed by an administrator from their agency and submit a copy to the Academy in advance of admission to the course.

NOTE: Anyone enrolling in this course is expected to know SFST skills prior to attending the course. This is an instructor course. A practical and written pre-test will be administered at the start of the course. If you do not pass these tests you will not be allowed to continue in the course.

Program Dates/Times: LESB Vehicle Contacts Instructor

Start:	09-29-2020	End:	09-30-2020
---------------	------------	-------------	------------

Course Description: LESB Vehicle Contacts Instructor**Topics of Instruction include: Description:**

This course prepares Wisconsin Law Enforcement Standards Board (LESB) certified officers to effectively administer and teach the vehicle contacts training program. This course emphasizes teaching and learning techniques that promote active learning, support learners with a variety of learning preferences and needs, and generate continuous improvements in teaching and learning.

The goal of this program is to prepare certified officers who are proficient in making vehicle contacts to deliver the LESB-approved vehicle contact curriculum.

Objectives:

- Identify instructor responsibilities
- Describe the components of the basic vehicle contacts curriculum packet (orientation to course materials).
- Prepare the vehicle contacts instructor candidate teaching assignment.
- Describe how to run a driving range during a Vehicle Contacts Course.
- Describe safety procedures for using weapons (simulated/mock weapons or real weapons) during vehicle contacts training.
- Review how to teach an approach, non-approach, and high-risk vehicle contact and how to correct student errors.
- Present your teaching assignment.
- Critique the Vehicle Contacts Instructor Course.

Program Length:**Two Days (16 Hours)****Maximum Enrollment:****20****Prerequisites: Prerequisites:**

- Completed (CJIDC)
- Complete attached form, Instructor Training Course Application DJ-LE-336
 - State Patrol employees should bring the form completed and it will be signed at the Academy.
 - Personnel from outside of the DSP need to have the form signed by an administrator from their agency and submit a copy to the Academy in advance of admission to the course.
 - **Directions to Instructor Candidates:**
- This is an instructor course. Anyone attending the instructor course is expected to know the below skills prior to attending the course. You will be tested at the beginning of the course. If you do not pass these skills you will not be allowed to continue in the course.
 - Take the written pre-test to assess your knowledge of the basic vehicle contacts skills. You must pass with a minimum score of 80% to be admitted into the vehicle contacts instructor course.
 - Perform basic vehicle contacts skills on a driving range to assess your knowledge of the basic vehicle contacts skills.

If you do not pass the practical pre-test to the satisfaction of the MIT you will not be admitted into the vehicle contacts instructor course. You will be critiqued on the following basic skills on the driving range: Approach Contact, Non-approach Contact, High-risk Contact
